Safety

- Strict adherence to OSHA & ASME standards
- All crew have OSHA 10/30, First Aid/CPR, & MSHA certs
- Atlas Integrity Standard, signed by every team member

Since 2001, Atlas has delivered integrity-driven, community-focused crane and rigging services to trades and general contractors throughout Southern Nevada and beyond. As a veteran-owned and veteran-led small business, we keep our mission simple: safe, seamless service at an honest price. We're small enough to know our customers personally and responsive enough to treat every project like it matters—because it does. At the same time, our commitment to safety meets or exceeds the standards of larger operations. Let's work together to lift projects—and our community—higher.
